(b) From and after January 1 of the first full year after the date of recordation of this Declaration and each year thereafter, the maximum regular annual assessment may be increased by an amount up to ten percent (10%) over the preceding year's regular annual assessment solely by the Board of Directors. Any increase over and above 10% of the previous year's regular annual assessment shall be done only by the prior written approval of sixty-six and two-thirds percent (66-2/3 %) of the outstanding votes (determined pursuant to Section 3.2 hereof) held by the Members at a meeting at which a quorum is present.

(c) In addition to the regular annual assessment, as a condition to the sale of every Lot by an Owner in the Development, a transfer fee of \$50.00 shall be charged to Seller of such Lot being conveyed (except for sales by Declarant), and a transfer fee of \$50.00 shall be charged to Purchaser of the Lot being conveyed and the pro-rata share of annual assessments then due on such Lot shall be paid by Purchaser of the Lot to the Association. The transfer fee provided for herein shall be for the benefit of the Association, to be used to establish a capital reserve for the Association and shall only increase by an amount to be determined by the Board of Directors.

4.4 Special Assessments. In addition to the regular annual Assessment and transfer fees payable on the sale of lots authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the costs incurred by the Association pursuant to the provisions of this Declaration, provided that any such Assessment shall have the prior written approval of sixty-six and two-thirds percent (66-2/3 %) of the outstanding votes (determined pursuant to Section 3.2 hereof) held by the Members at a meeting at which a quorum is present. Any Special Assessments shall be prorated based on the period of time the Owner owns the Lot during such year.

4.5 Notice and Quorum for any Action Authorized Under Sections 4.3 and 4.4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 4.3 and 4.4 hereunder shall be given to all Members not less than ten (10) days nor more than twenty (20) days in advance of such meeting. At such meeting, the presence of Members or of written proxies entitled to cast sixty percent (60%) of all the votes entitled to be cast by the Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

4.6 Uniform Rate of Assessment. Both the regular annual and Special Assessments shall be fixed at a uniform rate for all Lots, and shall commence and be due in accordance with the provisions of Section 4.7 hereof. Each Owner (other than Declarant who is required to pay the deficiency described below), shall pay one hundred percent (100%) of the established Assessment for each Lot he or it owns.

4.7 Date of Commencement of Annual Assessments; Due Dates.

(a) The obligation to pay regular annual assessments provided for herein shall not commence until the date of the closing of the sale of the first home located on a Lot to a third-party home buyer. The Assessments shall then be due on such payment dates as may be established by the Association. Assessments shall be due and payable on an annual basis unless otherwise designated by the Association.

(b) As long as Declarant is a Class "B" Member pursuant to Section 3.2 hereof, Declarant shall pay the deficiency resulting in the event the cost of maintenance exceeds the amount of the Assessments received from the Owners; provided, however, in such event, Declarant shall not otherwise be required to pay Assessments with respect to portions of the Property owned by Declarant; and further provided, however, in no event shall Declarant be required to pay an amount which is in excess of one hundred percent (100%) of the established Assessment for each Lot it owns. When the Declarant is converted to a Class "A" Member, the Declarant (i) shall no longer be responsible for contributing shortfalls outlined in the preceding sentence but rather, (ii) shall commence paying regular annual and Special Assessments pursuant to Sections 4.3 and 4.4 hereof calculated on the number of Lots Declarant then owns.

(c) Unless provided above, the annual Assessments for the first Assessment year shall be fixed by the Association prior to the sale of the first Lot to an Owner. Except for the first Assessment year, the Association shall fix the amount of the annual Assessment at least thirty days in advance of each Assessment year, which shall be the calendar year; provided, however, that the Association shall have the right to adjust the regular annual Assessment upon thirty days written notice given to each Owner, as long as any such adjustment does not exceed the maximum permitted pursuant to Section 4 hereof. Written notice of the regular annual Assessment shall be given as soon as is practicable to every Owner subject thereto. The Association shall, upon demand at anytime, furnish a certificate in writing signed either by the President, Vice President or the Treasurer of the Association setting forth whether the annual and special Assessments on a specified Lot have been paid and the amount of any delinquency. A reasonable charge may be made by the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any Assessment herein stated to have been paid.

(d) No Owner may exempt himself from liability for Assessments by waiver of the use or enjoyment of any portion of the Development or Areas of Common Responsibility or by abandonment of his Home.

4.8 Effect of Non-Payment of Assessments; Remedies of the Association.

(a) All payments of the Assessments shall be made to the Association at its principal place of business in the County, or at such other place as the Association may otherwise direct or permit. Payment shall be made in full regardless of whether any Owner has any dispute with Declarant, the Association, any other Owner or any other person or entity regarding any matter to which this Declaration relates or pertains. Payment of the Assessments shall be both a continuing affirmative covenant personal to the Owner and a continuing covenant running with the Lot.

(b) Any Assessment provided for in this Declaration which is not paid when due shall be delinquent. If any such Assessments not paid within thirty (30) days after the date of delinquency, the Assessment shall bear interest from the date of delinquency (with no notice required to be given), until paid, at the rate of ten percent (10%) per annum or the maximum rate allowed by law, whichever is the lesser. The Association may, at its option, bring an action at law against the Owner personally obligated to pay the same, or, upon compliance with the notice provisions hereof, foreclose the lien against the Lot as provided in Subsection 4.8(d) hereof. There shall be added to the amount of such Assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include said interest and a reasonable attorney's fee, together with the costs of action. Each Owner vests in the Association or its assigns, the right and power to bring all actions at law or in equity foreclosing such lien against such Owner, and the expenses incurred in connection therewith, including interest, costs and reasonable attorney's fees shall be chargeable to the Owner in default. Under no circumstances, however, shall Declarant or the Association be liable to any Owner or to any other person or entity for failure or inability to enforce any Assessments.

(c) No action shall be brought to foreclose said Assessment lien or to proceed under the power of sale herein provided in less than thirty (30) days after the date a notice of claim of lien is deposited with the postal authority, certified or registered, postage prepaid, to the Owner of said Lot, and a copy thereof is recorded by the Association in the Office of the County Clerk of the County; said notice of claim must recite a good and sufficient legal description of any such Lot, the record Owner or reputed Owner thereof, the amount claimed (which may, at the Association's option, include interest on the unpaid Assessment at the maximum legal rate, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association.

(d) Any such sale provided for above is to be conducted in accordance with the provisions applicable to the exercise of powers of sale in mortgages and deeds of trust, as set forth in Section 51.002 of the Property Code of the State of Texas (as it may be amended from time to time), or in any other manner permitted by law. Each Owner, by accepting a deed to a Lot, expressly grants to the Association a power of sale as set forth in said Section 51.002 of the Property Code, in connection with the Assessment lien. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

(e) Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting Owner of a fee, to be determined by the Assessment lien and the right to foreclosure sale hereunder shall be in addition to and not in substitution of all other rights and remedies which the Association and its successors or assigns may have hereunder and by law, including the right of suit to recover a money judgment for unpaid Assessments, as above provided.

4.9 Subordination of Lien to First Mortgages. The lien securing the Assessments provided for herein shall be expressly subordinate to the lien of any first lien mortgage on any Lot. The sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any first lien mortgage, pursuant to a decree of foreclosure or a non-judicial foreclosure under such first lien mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such Assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessment thereafter becoming due, in accordance with the terms herein provided.

4.10 Management Agreements. The Association shall be authorized to enter into management agreements with third parties in connection with the operation and management of the development and the performance of its obligations hereunder. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be canceled with or without cause and without penalty by the Association with thirty (30) days written notice and the management company with ninety (90) days written notice. Any and all management agreements shall be for a term not to exceed one year and shall be made with a professional and responsible party or parties with proven management skills and experience managing a project of this type. The Association may, at its discretion, assume self-management of the development by the Association.

4.11 Insurance Requirements. The Association shall obtain insurance policies covering the Areas of Common Responsibility covering all damage or injury caused by the negligence of the Association, any of its employees, officers, directors and/or agents, including, but not limited to, commercial general liability insurance, directors and officers liability insurance, and such other insurance as the Association may from time to time deem necessary or appropriate.

ARTICLE V

ARCHITECTURAL CONTROL COMMITTEE

5.1 Appointment of Members. The Declarant shall have the exclusive right to appoint an Architectural Control Committee (the "Committee"), which shall consist of three members who shall be natural persons and may be employed by Declarant. All matters before the Committee shall be decided by majority vote of its members. Declarant shall retain the rights and powers of the Committee; provided that, after Declarant's conversion to a Class "A" Member, the Association shall assume all of the rights and powers of the Committee. In the event of death, incapacity or resignation of a member of the Committee, the successor for such member shall be appointed by Declarant, or the Association, depending on which entity then holds the rights and powers of the Committee at the time of such death, incapacity, or resignation, in accordance with the above provisions.

5.2 Submission of Plans to Architectural Control Committee. No building, fence, wall, parking area, swimming pool, spa, pole, mail box, driveway, fountain, pond, tennis court, sign, exterior color or shape, or new structure or modification of a structure shall be commenced, erected or maintained upon any Lot (including, without limitation, any patio or garage used in connection with any Lot) after the purchase of any Lot from Declarant, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same are submitted to and approved by the Committee. Plans and specification shall be submitted to the Committee at least thirty (30) days prior to the commencement of any construction or modification. The following shall be submitted for approval: a site plan showing the entire Lot with existing improvements; floor plan and elevations of all faces of the proposed structure; the length, width, and height of the proposed structure or improvement; the distance of the proposed structure or improvement to the rear lot line and to the nearest side lot line; and a description of all exterior construction materials. A copy of the above described plans and specifications may be retained by Declarant.

5.3 Approval of Plans. The Committee shall review the plans and specifications and notify the Owner in writing of its approval or disapproval. If the Committee fails to approve or disapprove said plans and specifications within thirty (30) days after the same has been submitted, they will be deemed to have been approved by the Committee. Any disapproval shall set forth the elements disapproved and the reason or reasons thereof. The judgment of the Committee in this respect in the exercise of its sole and absolute discretion shall be final and conclusive and the Owner shall promptly correct the plans and specifications (if disapproved) and resubmit them for approval. No construction, alteration, change or modification shall commence until approval of the Committee is obtained. The Committee may approve any deviation from these covenants and restrictions as the Committee, in its sole and absolute discretion, deems consistent with the purpose hereof. No member of the Committee shall be liable to any Owner for any claims, causes of action or damages arising out of the denial of any submittal or grant of any deviation to an Owner. Future requests for deviations submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a deviation to any Owner shall not constitute a waiver of the Committee's rights to strictly enforce the Declaration and the architectural standards provided herein against any other Owner. Approval by the Committee of the plans and specifications or its determination that the completed construction or modification has been constructed in accordance with the plans and specifications shall be deemed to be an acknowledgment by the Committee that such are in accordance with this Declaration and such acknowledgment shall be binding against the Owners of the Lots and the Property.

5.4 Committee Members' Liability. Neither the Declarant, the Association, the Board, the Committee nor any employees, officers, directors or members thereof shall be liable for damages or otherwise to anyone submitting plans and specifications for approval or to any Owner affected by this Declaration by reason of mistake of judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval of or failure to approve or disapprove any plans or specifications. Any errors in or omissions from the plans or the site plan submitted to the Committee shall be the responsibility of the Owner of the Lot to which the improvements relate, and the Committee shall have no obligation to check for errors in or omissions from any such plans, or to check for such plans' compliance with the general provisions of this Declaration, City codes, state statutes or the common law, whether the same relate to Lot lines, building lines, easements or any other issue.

5.5 Homebuilder Plans. Notwithstanding anything to the contrary contained herein, once a particular set of plans and specifications submitted by a homebuilder (which for purposes hereof shall be defined as any entity or person in the business of constructing single family residences for the purpose of sale to third parties) has been approved by the Committee or deemed approved, such homebuilder may construct homes in the Development on any Lot in accordance with such plans and specifications without the necessity of obtaining subsequent approvals there for, so long as there are no major material changes in the plans and specifications and the Committee approves of the location of the plans and specifications to prevent unnecessary duplication thereof within the Development.

5.6 Design Guidelines. The Committee has the right to issue Design Guidelines from time to time which will contain the specific provisions applicable to all of the Lots regarding style, basic site design issues, aesthetics of each home, the use of quality exterior finish materials and minimum landscaping plans for the Lots. The Design Guidelines will be used by the Committee (along with this Declaration) to determine the approval of all plans.

This provision, however, shall in no manner be construed to create a lien in favor of any party on any Lot for the cost or charge of such work or the reimbursement for such work.

7.1 Additional Easements.

a. **Utility and Telecommunication Utility Easements.** The Declarant hereby reserves the right to grant perpetual, non-exclusive easements in gross for the benefit of Declarant or its designees, upon, across, over, through and under any portion of the Property designated on the plat thereof for easements for the purpose of ingress, egress, installation, replacement, repair, maintenance, use and operation of any and all utility and service lines and service systems, public and private, including, without limitation, telephone, cable, fiber optic and any other cable or wiring system designed to provide or deliver communication of any form, video or telecommunications, computer access, "Internet" or e-mail access, security monitoring or other services to any Owner. The Declarant also reserves the right to grant perpetual, non-exclusive easements in benefit of Declarant or

its designees across and over any portion of the Property for the purpose of gross for the delivering satellite, "broadband", cellular or other wireless communication designed to provide or deliver communication of any form, video or telephone communications, computer access, "Internet" or e-mail access, security monitoring or other services to any Owner. In addition, the Declarant also reserves the right to grant perpetual, non-exclusive easements in gross in the Areas of Common Responsibility to erect one or more transmission towers as required, to facilitate the providing or delivering of satellite, "broadband", cellular or other wireless communication, designed to provide communication of any form, video or telephone communications, computer access, "Internet" or e-mail access, security monitoring and other services to any Owner.

Declarant, for itself and its designees, reserves the right to retain or transfer title to any and all wires, pipes conduits, lines, cables, transmission towers or other improvements installed on or in such easements and to enter into franchise or other agreements with private or public providers of telecommunication type packages that are designed to provide such services to the Development.

b. **Continued Maintenance Easement.** In the event that the Owner fails to maintain the Lot as required herein, or in the event of emergency, or in the event the Association requires entry upon any Lot to repair or maintain any Area of Common Responsibility, the Association shall have the right to enter upon the Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of the Property. Entry upon the Lot as provided herein shall not be deemed a trespass, and the Association shall not be liable for any damage so created unless such damage is caused by the Association's willful misconduct or gross negligence.

c. **Drainage Easements.** Easements for installation and maintenance of utilities, storm water retention/detention ponds, and/or a conservation area are reserved as may be shown on the Plat. Within these easement areas, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may hinder or change the direction of flow of drainage channels or slopes in the easements. The easement area of each Lot and all improvements contained therein shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority, utility company or the Association is responsible. Declarant hereby reserves for the benefit of Declarant and any Builder a blanket easement on, over and under the ground within the Property to maintain and correct drainage of surface waters and other erosion controls in order to maintain reasonable standards of health, safety and appearance and shall be entitled to remove trees or vegetation, without liability for replacement or damages, as may be necessary to provide adequate drainage facilities. Notwithstanding the foregoing, nothing herein shall be interpreted to impose any duty upon Declarant or any Builder to correct or maintain any drainage facilities within the Property.

d. **Temporary Completion Easement.** All Lots shall be subject to an easement of ingress and egress for the benefit of the Declarant, any Builder, their employees, subcontractors, successors and assigns, over and upon the front, side and rear yards of the Property as may be expedient or necessary for the construction, servicing and completion of dwellings and landscaping upon Lots adjacent thereto, provided that such easement shall terminate twelve (12) months after the date such burdened Lot is conveyed to the Owner by the Declarant or a Builder.

e. **Universal Easements.** The Owner of each Lot (including Declarant so long as Declarant is the Owner of any Lot) is hereby granted an easement not to exceed three feet (3') in width over all adjoining Lots for the purpose of accommodating any encroachment or protrusion due to engineering or fence line errors, trees, landscaping or retaining walls located along property lines, errors in original construction, surveying, settlement or shifting of any building, or any other cause. There shall be easements for the maintenance of said encroachment, protrusion, settling or shifting; provided, however, that in no event shall an easement for encroachment or protrusion be created in favor of an Owner or Owners if said encroachment or protrusion occurred due to willful misconduct of said Owner or Owners. In addition, the Owner of each Lot is hereby granted an easement for encroachments not to

exceed three feet (3') in width by misplaced fences or fence lines and overhanging roofs, eaves or other improvements as originally constructed over each adjoining Lot and for the maintenance thereof. Each of the easements herein above referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to each affected Lot and shall pass with each conveyance of said Lot.

7.2 Enforcement. The Declarant or the Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the By-Laws and Articles of Incorporation. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. If any lot owner or any persons, corporations, or other legal entities acquiring land either as primary or subsequent Purchasers shall violate or attempt to violate any of the covenants and restrictions hereinafter set forth, it shall be lawful for any person or other entity owning any real property situated in the subdivision to prosecute any proceedings at law, against the person or persons, corporations or any legal entity violating or attempting to violate any such covenants or restrictions and either to prevent him, it, or them from so doing or to recover damages or other dues for such violations, and/or pursue other remedies for such violations. With respect to any litigation hereunder, the prevailing party shall be entitled to recover reasonable attorneys fees from the non-prevailing party.

7.3 Severability. If any condition, covenant or restriction herein contained shall be invalid, which invalidity shall not be presumed until the same is determined by the final judgment or order of a court of competent jurisdiction, such invalidity shall in no way affect any other condition, covenant or restriction, each of which shall remain in full force and effect.

7.4 Term. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and be enforceable by Declarant (during the time it owns any Lots), the Association, or the Owner of any Lot subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods often (10) years, unless by vote, of the then Owners of sixty seven per cent (67%) of the Lots (and the City, if then a party hereto) agree in writing to terminate or change this Declaration in whole or in part and such writing is recorded in the Real Property Records of the County.

7.5 Amendment.

(a) This Declaration may be amended or modified upon the express written consent of at least sixty-six and two-thirds percent (66-2/3%) of the outstanding votes (determined pursuant to Section 3.2 hereof) held by Members at a meeting at which a quorum is present. If the proposed amendment involves a modification of any of the Association's agreements, covenants or restrictions pertaining to the use, maintenance, operation, and/or supervision of any Areas of Common Responsibilities, the approval of the City must also be obtained for such amendment. Any and all amendments, if any, shall be recorded in the office of the County Clerk of the County. Notwithstanding the foregoing, Declarant shall have the right to execute and record amendments to this Declaration without the consent or approval of any other party if the sole purpose of the amendment is for the purpose of correcting technical errors or for purposes of clarification.

(b) Declarant intends that this Declaration may be amended to comply (if not in compliance) with all requirements of the Federal Home Loan Mortgage Corporation ("FHLMC"), Federal National Mortgage Association ("FNMA"), FHA and VA. Notwithstanding anything to the contrary contained herein, if this Declaration does not comply with FHLMC, FNMA, VA or FHA requirements, the Board and/or the Declarant shall have the power in its discretion (on behalf of the Association and each and every Owner) to amend the terms of this Declaration or to enter into any agreement with FHLMC, FNMA, VA, and FHA, or their respective designees, reasonably required by FHLMC, FNMA, VA or FHA to allow this Declaration to comply with such requirements. Should the FHLMC, FNMA, VA or FHA subsequently delete any of their respective requirements which necessitate any of the

provisions of this Declaration or make any such requirements less stringent, the Board and/or the Declarant, without approval of the Owners, may, upon reasonable justification, cause an amendment to this Declaration to be executed and recorded to reflect such changes.

7.6 Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, men or women, in all cases shall be assumed as though fully expressed in each case.

7.7 Remedies. Enforcement of these covenants and restrictions shall be by any proceeding at law or inequity, including, without limitation, an action for injunctive relief, it being acknowledged and agreed that a violation of the covenants, conditions and restrictions contained herein could cause irreparable injury to Declarant and/or the other Owners and that the Declarant's and/or the other Owner's remedies at law for any breach of the Owners' obligations contained herein would be inadequate. Enforcement may be commenced by the Association, the Declarant, the City, or any Owner against any person or persons violating or attempting to violate them, and failure by the Association, the Declarant or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The rights created herein are unique and enforceable by specific performance. In addition to the remedies set forth herein, the Association will also have the right and power to levy fines against any Owner in breach of their obligations set forth in this Declaration.

7.8 Notices to Member/Owner. Any notice required to be given to any Member and/or Owner under the provisions of this Declaration shall be deemed to have been properly delivered forty-eight (48) hours after deposit in the United States Mail, postage prepaid, certified or registered mail, and addressed to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

7.9 Headings. The headings contained in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation of this Declaration. Words of any gender used herein shall be held and construed to include any other gender, and words in the singular shall be held to include the plural and vice versa unless the context requires otherwise.

7.10 Formation of Association; Inspection of Documents, Books and Records. The Association shall be formed by Declarant as a non-profit corporation in accordance with the laws of the State of Texas. Management and governance of the Association shall be implemented and/or undertaken in accordance with its Articles of Incorporation, in accordance with this Declaration, and in accordance with the By laws which shall be adopted by the Association following its formation. The Association shall make available copies of the Declaration, Bylaws, Articles of Incorporation, rules and regulations governing the Association as well as the books, records and financial statements of the Association for inspection by Owners or any Mortgagee during regular business hours or other reasonable times. The Association may be merged, at any time within Developer's discretion, with the existing Association(s) for other Cuatro Vientos Subdivision phases.

7.11 Indemnity. The Association shall indemnify, defend and hold harmless the Declarant, the Board, the Committee and each director, officer, employee and agent of the Declarant, the Board and the Committee from all judgments, penalties (including excise and similar taxes), fines, settlements and reasonable expenses (including attorneys' fees) incurred by such indemnified person under or in connection with this Declaration or the Property to the fullest extent permitted by applicable law. Such indemnity shall include matters arising as a result of the sole or concurrent negligence of the indemnified party, to the extent permitted by applicable law.

7.12 FHA/VA Approval Requirement. As long as there remains any Class B membership and any first lien mortgage is in effect with respect to any Lot which is insured by FHA or VA, the following actions shall require prior approval of FHA or VA (if such approval is required under the then applicable FHA or VA regulations): amendment of the Articles of Incorporation, Declaration or Bylaws; annexation of additional property; mortgaging or dedication of the Open Space; and dissolution of the Association.

7.13 Failure of Declarant or Association to Perform Duties. Should the Declarant or the Association fail to carry out its duties as specified in this Declaration, the City or its lawful agents shall have the right and ability, after due notice to the Declarant or the Association, to remove any landscape systems, features or elements that are the responsibility of and cease to be maintained by the Declarant or the Association; to perform the responsibilities of the Declarant or the Association if either party fails, to do so in compliance with any of the provisions of this Declaration or of any applicable City codes or regulations; to assess the Declarant or the Association for all costs incurred by the City in performing said responsibilities if the Declarant or the Association fails to do so; and/or to avail itself of any other enforcement actions available to the City pursuant to state law or City codes and regulations. Should the City exercise its rights as specified above, the Declarant or the Association shall indemnify and hold harmless the City from any and all costs, expenses, suits, demands, liabilities or damages, including attorney's fees and costs of suit, incurred or resulting from the City's removal of any landscape systems, features or elements that cease to be maintained by the Declarant or the Association or from the City's performance of the aforementioned operations, maintenance or supervision responsibilities of the Declarant's or the Association's failure to perform said duties. The obligations described in this paragraph are solely obligations of the Association (and the Declarant if the Declarant remains so obligated), and no other party, including without limitation, the Declarant (assuming the Declarant is no longer so obligated) or any Owner, shall have any liabilities or obligations in connection therewith.

7.14 Binding Effect. Each of the conditions, covenants, restrictions and agreements herein contained is made for the mutual benefit of, and is binding upon, each and every person acquiring any part of the Property, it being understood that such conditions, covenants, restrictions and agreements are not for the benefit of the owner of any land except land in the Development. This Declaration, when executed, shall be filed of record in the Real Property Records of the County so that each and every owner or purchaser of any portion of the Development is on notice of the conditions, covenants, restrictions and agreements herein contained.

7.15 Recorded Plat; Other Authorities. All dedications, limitations, restrictions and reservations that are shown on the Plats are deemed to be incorporated herein and shall be construed as being adopted in each contract, deed or conveyance executed or to be executed by the Declarant, conveying the Lots, whether specifically referred to therein or not. If other authorities, such as the City or the County, impose more demanding, expensive, extensive or restrictive requirements than those that are set forth herein (through zoning or otherwise), the requirements of such authorities shall be complied with. Other authorities' imposition of lesser requirements than those that are set forth herein shall not supersede or diminish the requirements that are set forth herein.

7.16 Additions to the Development. Additional property may become subject to this Declaration in any of the following manners:

(a) The Declarant may add or annex additional real property to the scheme of this Declaration by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions which shall extend the scheme of this Declaration to such property, provided, however, that such Supplementary Declaration may contain such complementary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as maybe necessary to reflect the different character, if any, of the added properties and as are not inconsistent with this Declaration.

(b) In the event any person or entity other than the Declarant desires to add or annex additional residential and/or common areas to the scheme of this Declaration, such annexation must have the prior written consent and approval of the majority of the outstanding votes within each voting class of the Association. Any additions made pursuant to paragraphs (a) and (b) of this Section, when added, shall automatically extend the jurisdiction, functions, duties and membership of the Association to the properties added.

(c) The Declarant shall have the right and option, without the joinder, approval or consent of any person(s) or entity(ies) to cause the Association to merge or consolidate with any similar association then having jurisdiction over real property located (in whole or part) within 1 mile of any real property then subject to the jurisdiction of this Association. Upon a merger or consolidation of the Association with another association, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within the Property together with the covenants and restrictions established upon any other properties as one scheme.

7.17 No Warranty of Enforceability. While the Declarant has no reason to believe that any of the restrictive covenants or other terms or provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants. Any Owner acquiring a Lot in the Development in reliance on one or more of such restrictive covenants, terms or provisions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant and the Committee harmless there from. The Declarant shall not be responsible for the acts or omissions of any individual, entity or other Owners.

7.18 Right of Enforcement. The failure by Declarant or the Committee to enforce any provision of this Declaration shall in no event subject Declarant or the Committee to any claims, liability, costs or expense; it being the express intent of this Declaration to provide Declarant with the right (such right to be exercised at its sole and absolute discretion), but not the obligation to enforce the terms of this Declaration for the benefit of any Owner(s) of any Lot(s) in the Development.

7.19 Residential Construction Liability Act. Without waiving any rights under law or equity, all Owners acknowledge, covenant and agree that residential construction defect claims regarding any Home against the Declarant or any homebuilder in Texas are controlled by the Texas Residential Construction Liability Act (Tex. Prop. Code §27.001 *et seq.*, as amended) which preempts the Texas Deceptive Trade Practices Act (Tex. Bus. & Com. Code §17.41 *et seq.*, as amended) and any other law.

7.20 EPA Compliance. The Owner of each Lot agrees to comply with all EPA rules and regulations regarding erosion control and compliance with a Storm Water Pollution Prevention Plan affecting the Lots (the "Plan"), which will include elements necessary for compliance with the nationwide general permit for construction activities administered by the EPA under the National Pollutant Discharge Elimination System. Each Owner acknowledges that the Declarant and any homebuilder will not bear any responsibility for complying with a Plan on any Lot upon the sale of such Lot.

7.21 Soil Movement. Each as a condition to accepting his deed, which deed is subject to the provisions of this Declaration, each Owner or purchaser of a lot in the subdivision, acknowledges that the failure or excessive movement of any foundation of any Home in the Subdivision can result in the diminished value and overall desirability of the entire Development. Each Owner agrees and understands that the maintenance of the moisture content of the soils on each Lot is necessary to preserve the structural integrity of each home in the Development. Each Owner also acknowledges that the long-term value and desirability of the Development is contingent upon each Owner maintaining their Home so that no structural failure or excessive soil movement occurs within the Development.

EACH OWNER IS HEREBY NOTIFIED THAT THE SOIL COMPOSITION IN TEXAS IN GENERAL AND THE DEVELOPMENT IN PARTICULAR AND THE CONDITION OF THE LOTS MAY RESULT IN THE SWELLING AND/OR CONTRACTION OF THE SOIL IN AND AROUND THE LOT IF THE OWNER OF THE LOT DOES NOT EXERCISE THE PROPER CARE AND MAINTENANCE OF THE SOIL REQUIRED TO PREVENT SOIL MOVEMENT.

If the Owner fails to exercise the necessary precautions, damage, settlement, movement or upheaval to the foundation may occur. Owners are highly encouraged to install and maintain proper irrigation around their Home or take such other measures to ensure even, proportional, and prudent watering around the foundation of the Home.
